

MARSHAL'S REPORT
December 11th 2008
To January 7th 2009

Misc. duties:

- 135 ski rack, property, and business checks
- 35 motorist assists
- 4 watershed enforcements
- 15 traffic enforcements
- 11 lost or stolen ski equipment cases
- 7 vehicle impounds
- 12 outside agency assists

December 16th - A report was taken regarding a missing computer, apparently taken from a bypass residence during the fall.

December 17th - A male was arrested for theft of services after being caught skiing with another person's pass.

December 18th - A credit card fraud case was investigated at a ski rental shop. Two separate medical emergencies were responded to by the Unified Fire Authority.

December 20th - The canyon highway was closed and the Town of Alta was placed on Interlodge for avalanche control from 6:15 am until 7:51 am. Later in the evening, a group of suspicious individuals were interviewed and released in the Grizzly parking area.

December 21st - A highly intoxicated young woman lost her ability to remain conscious at one of the lodges as well as her ability to polite with the lodge staff and deputy on duty. The discovery of an active arrest warrant in her name went a long way to resolve the situation. A diabetic problem at the same lodge was attended to later in the day.

December 22nd - The Hellgate/Superior area was placed on Interlodge travel restriction due to increasing avalanche hazard.

December 23rd - Interlodge and road restrictions were put into effect for avalanche control work affecting the Town of Alta.

December 25th - The canyon highway was closed and Interlodge was again put into effect for avalanche control. Another young lady, suffering the effects of the previous evening's alcohol consumption was attended to after driving into the Wildcat Parking area by way of leaving the road just west of the Alta Lodge. Amazingly, after a

several hundred yard trip over the cliff, neither vehicle nor driver was damaged. Avalanche danger forced an afternoon closure of the Mid-Canyon for control work. A complete road closure and Interlodge were put into effect at 9:00 pm. A civil dispute was mediated at one of the bypass road condominiums. Additionally, one male was cited for violating Interlodge.

December 26th- Avalanche control work was conducted to reopen the canyon.

December 27th- Two males were ejected from the ski area after attempting to re-sell their day passes.

December 31st- The victim of a sledding accident was assisted from the mountain during the evening thanks to the help of the Alta Cat Crew.

January 2ND- A report was taken of a stolen gear bag at the Day Lodge. The deputy on duty was able to recover the property and it was determined that it had been accidentally switched with another bag.

January 5th- A male was arrested and transported to jail following a domestic violence incident at a bypass road residence.

January 6th- The canyon highway was closed and Interlodge put into effect for avalanche control work. A mid-day closure for avalanche control was also conducted. The entire canyon was eventually closed and placed on Interlodge in the evening pending avalanche control work that took place on January 7th.
